The Roadhouse opens to the public on the second Saturday evening of the month. It's where the area's musicians go to hear other musicians, and you might find yourself sitting next to a famous jazz drummer or a vocalist from Australia. You never know.

Musicians love the audience that takes the time to find the Roadhouse, and when musicians love their audience, they play their hearts out. Why does it take time to find the Roadhouse? We've cleverly hidden it in a church basement, where audience and musicians are within touching distance of each other. The acoustics are great.

The Roadhouse serves real coffee and tea — it's a *coffeehouse*, not a bar, after all. Hot and cold snacks and desserts are included with admission. There's art, too, because art and music go together. You can sip your coffee while perusing original works available for purchase at the Roadhouse Fine Arts Gallery. Works change with each opening.

Show proceeds always benefit local charities.

UNLESS OTHERWISE NOTED, ALL SHOWS BEGIN AT 8:00 PM, DOORS OPEN AT 7:30 PM
